

Beatitude sketch

- 1 I am very self-sufficient!
- 2 I am completely useless at everything!
- 3 I recognise that I can do some things, but I need help in others.
- 1 I think I know it all!
- 2 I don't know anything; my brain is like a colander trying to hold a pint of water!
- 3 I've realised I need help figuring out where I fit in, you know, in the world...
- 1 I am – quite frankly - utterly amazing!
- 2 I am – disappointingly – utterly useless...
- 3 And I – astonishingly – am fearfully and wonderfully made
- 1 I am pretty much practically perfect in every way!
- 2 And I really wish I was like him... **(gesturing to '1')**
- 3 Well, I'm just glad that despite who I am and what I'm like, I know that I am still loved...
- 1 (Looking disdainfully at '3') That don't count!
- 3 **(Confused)** Er, what?
- 1 What you just said. That don't count – it's too sappy
- 3 **(Non-confrontationally)** Well, that's what I think...

- 1 **Speaking sarcastically under his breath)** ...Oh, that's what I think. Despite who I am and what I'm like, I'm still loved. **(Then with louder voice)** You want to man -up, mate! Don't worry about anyone else but yerself, that's what I say. Take what you can with both hands, and live life to the max.
- 2 **With a wimpy voice, while looking at '3')** Yeah!
- 3 And when you die, then what?
- 2 **With a wimpy voice, while looking at '1')** Yeah!
- 1 **Slightly flustered)** I dunno do I? All I know, is I'm doing life large, doing it MY WAY!!!
- 2 I'm always falling in and out of life's problems, and never seems to get anywhere. **(Bit depressed)** Sometimes I wish I wasn't here
- 3 And I think about my life a lot, and realise that I can't do it all on my own...
- 1& 2 Which person are you?
