

Sketch: Easily Distracted

Talking to someone off stage: Yeah, I'm just going to take some time out to pray – be 10, 15 minutes or so.

Sits down and talks to himself: So, God, just you and me. Fifteen minutes of quality time, where you get all my attention...

(A couple of moments of silence) Mustn't forget to order the shopping... No, I'll do it in a minute after my quiet time... Mind you, might not get the time slot that I want... Better book it now **(Talks to God)** Sorry God, just gotta do this.

(Fiddles with laptop) Won't take a tick... **(Couple of moments of clicking keys on the laptop)** Done! Right God, back to you! **(Fifteen (looks at watch) ... er, twelve-ish minutes of quality time...**

(A couple moments of silence, then phone rings, which he tries to ignore, but then answers) *(Do ad-libbed conversation which the character gets more and more engrossed in, but then remembers what he should be doing and hangs up, after saying...)* Text me!

Right God, sorry about that. Phone's on silent. Back to you and me and *no* distractions...

(A couple moments of silence, then sound effect of dog barking. Character shouts to someone off stage)

Will someone sort the dog out please – trying to have some quality time with God here!

(A couple of moments of silence, then starts talking to himself) Probably should take the dog out soon though... wonder what the weather's going to be like? **(Looks at weather app on phone)** Yep, rain later...

Still – That's not important right now! **(Puts phone down)** What's important is my bit of God time...

(A couple moments of silence) Wonder if she's texted back... I'll look in a minute...

(A couple moments of silence, then picks up phone) They're coming round in half an hour! Awesome! **(Gets up to dash off, then suddenly remembers God.)**

(Looks at watch) Right then, God. That's us done. Let's do it again, er, tomorrow... no, I'm, busy tomorrow... Er, next week, maybe... though I think I'm away next week. Soon! Anyway, whenever. Hope you've enjoyed our time together as much as I have...
