Loving God,

In whose image we are created, we give thanks for your gracious and everlasting love.

We continue to rejoice in those that you have called to be priests as they take this next step on the path you have prepared for them.

Please let them know your joy as they are equipped by the Holy Spirit to celebrate Holy Communion in your name, enabling

us to know your presence in the sacraments.

May they be filled with the power of courage and wisdom as they spread your eternal good news to all and gather your people ever closer to you.

We ask you inspire them please to care for us, for all creatures and your world with hope, encouragement, gentleness and understanding - igniting their souls with love for all.

Graciously we ask you to let them know they are loved by you as they forge this new path of leading and caring for your people, with light-filled faith and your divine blessings.

We ask this in Jesus' name, giving thanks for your wondrous and everlasting grace.

Amen.

The purpose of our partnership links is to extend the concept of Partnership in Mission to:

- strengthen and encourage each other
- exchange gifts and resources
- gain new insights and understandings of God’s mission to the world
- commit ourselves afresh to the task of mission.

This involves us in a commitment to:

- sharing
- prayer
