Please pray for the ongoing mission and ministry in the North Downs. We have many beautiful churches, committed congregations and welcoming communities in which to minister. However, as many deaneries will be experiencing, our ancient buildings need significant care and our congregations can only do so much. We'd love God's wisdom and guidance in where we set our focus over the months ahead.

We give thanks for schools engagement and occasional offices, as well as local events, all of which afford us huge opportunities. Please pray for continued open doors and effective sharing of the Good News of Christ.

We have ongoing movement in stipendiary clergy across the deanery and pray that committed ministers will be called to the North Downs as opportunities arise in the future. As with any community, we are journeying with people facing significant health challenges and bereavement. Please join us in praying for them.

May the blessing of being present be on you calming your concerns, comforting your worries. May the tenacious strength of early spring flowers and the soft feathers and detailed colouring of the birds remind you of your even greater value and worth in the eyes of God.

May an eternal, kingdom perspective that is rooted in the here and now unclench from your hands the future worries we hold for the world, freeing you to pick up what we can attend to in our place and time. And may God bring you His wholeness and healing as you gently allow Him to transform you more and more into His likeness for Jesus' sake. Amen.

THE WONDER OF PRAYER

EASTER — DELIGHTING IN THE NEW

‘Nicodemus, who had first come to Jesus at night, came now in broad daylight...’ (John 19:39, The Message)

God who makes all things new -

- Lead us from the night-time of our fears into the bright daylight of new possibilities.
- Give your Church wisdom to treasure what is precious from our traditions whilst also welcoming the new and untried.
- Breathe your Holy Spirit over the new Fuse worship events which gather young people in our diocese for prayer and worship.
- Bless the entrepreneurs in our communities, those with the courage to start new ventures, that their endeavours will bear good fruit.
- We pray for the World Health Organisation’s ‘Healthy Beginnings, Hopeful Futures’ initiative, a year-long campaign for improvements to maternal and newborn health around the world.

CHANGED LIVES ➔ CHANGING LIVES

**Jesus Christ, whose rising heralded the new creation,
Give us courage to follow you into the new:**

To embrace the unfamiliar,

To explore the uncharted,

**And so to become the Church which the world needs us
to be.**

Amen.

Nicodemus went from fearful questioner to unashamed disciple; from a nervous enquiry by night to a public act of service in broad daylight. What might help us and our churches to become more courageous?
