PRAYING TOGETHER: GIVING THANKS FOR THE MINISTRY OF ANNA CHAPLAINS

Heavenly Father,

Thank you for the growing number of Anna Chaplains and Friends in our diocese.

Holy Spirit, enable them to fulfil this ministry with sensitivity and patient love.

Equip them with your infinite love to listen patiently, respond wisely and pray fruitfully for the elderly in the community, churches and care homes. May they discover the riches older people have in their life experiences and help them cherish their stories.

May they be advocates of those who are in the silent places of this world who daily face the challenges of aging and dementia.

Amen.

PRAYING TOGETHER: FOR SHIFT WORKERS

One in five workers in the UK are shift workers, which means they can't go to church every Sunday, or any regular weekly meeting, even if they want to. Some churches understand this, others unfortunately don't. Workplace Chaplains, going to their places of work, can take the love of God to them. God is there already; we just have to go out and join Him.

Lord Jesus, who worked in a carpenter's shop, we pray for all shift workers who have difficulty meeting and worshiping in churches with traditional weekly schedules. Those in retail, transport, caring, nursing, security, hospitality, emergency services and many more roles that we all expect to be there for us 24/7. Support them, their families, and their chaplains as winter approaches and some find themselves on reduced hours while others face hectic times preparing for the secular Christmas. Amen.

Generous God,

by your Spirit lead your church into growth,

and into the way of life

that reflects the image of Christ our Saviour.

As we discern where you are calling us to be within your mission

equip our ministers both lay and ordained,

with the gifts of your Spirit

that we may kindle the flame of faith

among children and young people,

renew our churches with your life and love,

and help new communities come to birth

and lift their hearts in worship,

that, joined in one body together,

we may find a voice to sing your praise,

Amen.

PRAYING TOGETHER: REMEMBRANCE SUNDAY

Gracious God of peace, come alongside all those involved in the art of war. May their decisions, in the pursuit of their aims, be compassionate and concerned with the security of the poor, the marginalised, the innocent and the oppressed.

Protect all who have been damaged by violence in body and mind. May they receive your bountiful love in their recovery and their resumed peaceful lives. Be close to all their families, friends and colleagues.

Guide all those involved in decision-making to find the route of peace and reconciliation before choosing violent confrontation, ever searching for understanding and diplomacy between all parties.

Through Jesus Christ our Lord,

Amen.

Dover Deanery is the gateway to England and hundreds of thousands of people pass through the ancient Port of Dover each year. We pray for smooth passage especially with new regulations coming into force later this year. We rejoice that Claire Coleman has come to join the Dover town team alongside Melissa Carter. We work and witness with other Christians across Dover in worship and outreach including Street Pastors and the Dover Food Bank. There are active intercessors from various churches. Sean Sheffield and Seb Lundberg are active in Bewsborough Parish. Brian Williams maintains a faithful ministry in his parish, as does Ian Parrish.

Lord, we look upon creation, in awe of its beauty, and fear as we see the effects of climate change. May we be renewed with a sense of urgency as we work together to turn the tide on plastic. We pray for all who work to protect our waterways and marine life. Careless use of plastics and waste have had devastating effect. May we be filled with a sense of urgency to act now, in Jesus's name.

RIVER: ST PETER & ST PAUL

Clergy: Andy Bawtree

Readers: Lynne Watson, Steve Saunderson, Margaret Bowers

We give thanks for the blessings the Lord showers upon us in our village of River. For faithful and dedicated laity involved in prayer, leading worship, cooking food, music, technology, visiting the sick & lonely. As well as sharing Jesus' love with their neighbours, seeing new people attend, and watching them grow in their faith. It is a joy to partner with Madagascar as Almighty God builds his church there. We pray for our witness this autumn and into Advent and Christmas, that we might let Jesus' light shine, and that the Christian community might continue to grow in faith and number.

Thank you God for the work of Pastoral Supervision in our diocese. For those trained and offering supervision, for those receiving it. A place and a companion to notice and wonder with for the good of the other, for healthy, effective and sustainable mission and ministry.

Readers: Barbara Broughton, Anthony Hyde, Becky Clifford

Lord, I know you listen to our prayers.

Lord, we are few in number, in our Benefice, to do the work you have called us to do.

It would be easy to retire from the fray and pass the baton on, but you have called us and we must stay the course.

My prayer is for a sign to encourage us to do more, to serve you better and constantly express our commitment to you.

A word in our ears, Lord, a hand on our shoulders, a light to follow.

Lord, you know we are yours.

Amen.

Pray today for our renewed unity, companionship and collaboration; for the care and prayer with which we hold one another; and that we may continue to be upheld in faith to ride through the inevitable storms safely.

THE WONDER OF PRAYER

HARVEST – LEARNING FROM CREATION

*‘Our Lord, by your wisdom you made so many things; the whole earth is covered with your living creatures.’
(Psalm 104:24 CEV)*

Creator God, Author of Life -

- Catch our attention with the wonder of all that you have made.
- Give your creative wisdom to all who are looking for ways to preserve and increase biodiversity, both in rural and urban areas.
- Protect the fledgling communities of beavers, bison and choughs recently re-introduced to the Kent countryside.
- Challenge us, your church, to raise our voice in protest when your creation is overlooked or undervalued.
- Help us to make room in our lives to learn the lessons which nature has to teach us.

Diocese of Canterbury **CHANGED LIVES → CHANGING LIVES**

**Loving God, giver and sustainer of life,
You created a world of beauty and gave it to us for a
home.**

**Forgive us when we forget to enjoy it,
Strengthen our resolve to care for it,
Give us the humility to learn from it,
As we work for a world where all can flourish.
Amen.**

Beaver kits have been spotted in the river Stour in Canterbury, reckoned to be the first to be born in the wild in Kent for several centuries. As you look at the image on this card and reflect on the re-emergence of this precious species, notice the thoughts and feelings which surface, and the prayers you are led to pray.
